

WHO WE ARE

Food Service Insurance Solutions is a specialty food and hospitality division a part of Phoenix Business Insurance Agency Inc.

Our agency provides a full range of cost-effective insurance and risk management solutions designed to help your business manage risk. From promising start-ups to the region's most established enterprises, businesses depend on us to protect them from financial loss and the unexpected.

"Making sure you have the right kind of insurance package can mean the difference between ongoing success and bankruptcy."

Our food and hospitality program makes certain that not one risk exposure is left on your plate! With a network of over 50 companies and over 3 decades of risk management work, we are proud to be our clients trusted advisors.

THE RECIPE

We work tirelessly in providing outstanding customer service and superior insurance carriers that offer the most comprehensive and cost effective coverage.

We blend a traditional hands on approach, giving every client the time and attention they deserve combined with today's technological underwriting advancements. We also stay aggressively on top of the latest coverage product developments to match your changing needs in the food and hospitality world. With this hybrid approach, we are able to deliver a very quick turn around time without skipping a beat.

You serve your patrons delicious food, drinks, warm hospitality, and wonderful entertainment. Now let us serve you with superior coverage!
